

Capital Program

Lakewood Elementary Questions Answered

Q1. Will neighbors expect more vehicular traffic?

Traffic volumes are not expected to change, other than regular yearly fluctuations. Distribution of traffic is not expected to change significantly either.

Q2. How can speeders be addressed?

Speeding on city streets is enforced by the City of Ann Arbor Police Department. If a person suspects speeding, they need to contact AAPD. Residents can also ask for a road patrol to be stationed on the streets to monitor speeding. AAPS implements a safe routes to school program with assistance from City of Ann Arbor traffic engineers and law enforcement and through education and enforcement we can implement some programs.

Q3. What is the distance for buses?

The bus drop-off and pick-up lane will be located approximately 40' from neighboring property lines.

Q4. Will other schools be staged at old Lakewood Elementary?

No, the existing Lakewood will be demolished starting in the Summer of 2028, prior to occupancy of new Lakewood in Fall of 2028.

Q5. Including Lakewood Woods in the design is desired by the Community, will it be?

The project is not anticipated to disturb Lakewood Woods. Increased accessibility to the Woods is a project goal.

Q6. What will happen to walking paths?

Existing seasonal walking paths will be modified, but resulting paths will represent an expansion of this valuable Community asset.

Q7. What about noise control for students?

Temporary construction disruptions of all types will be kept to a minimum for students, staff and school community.
