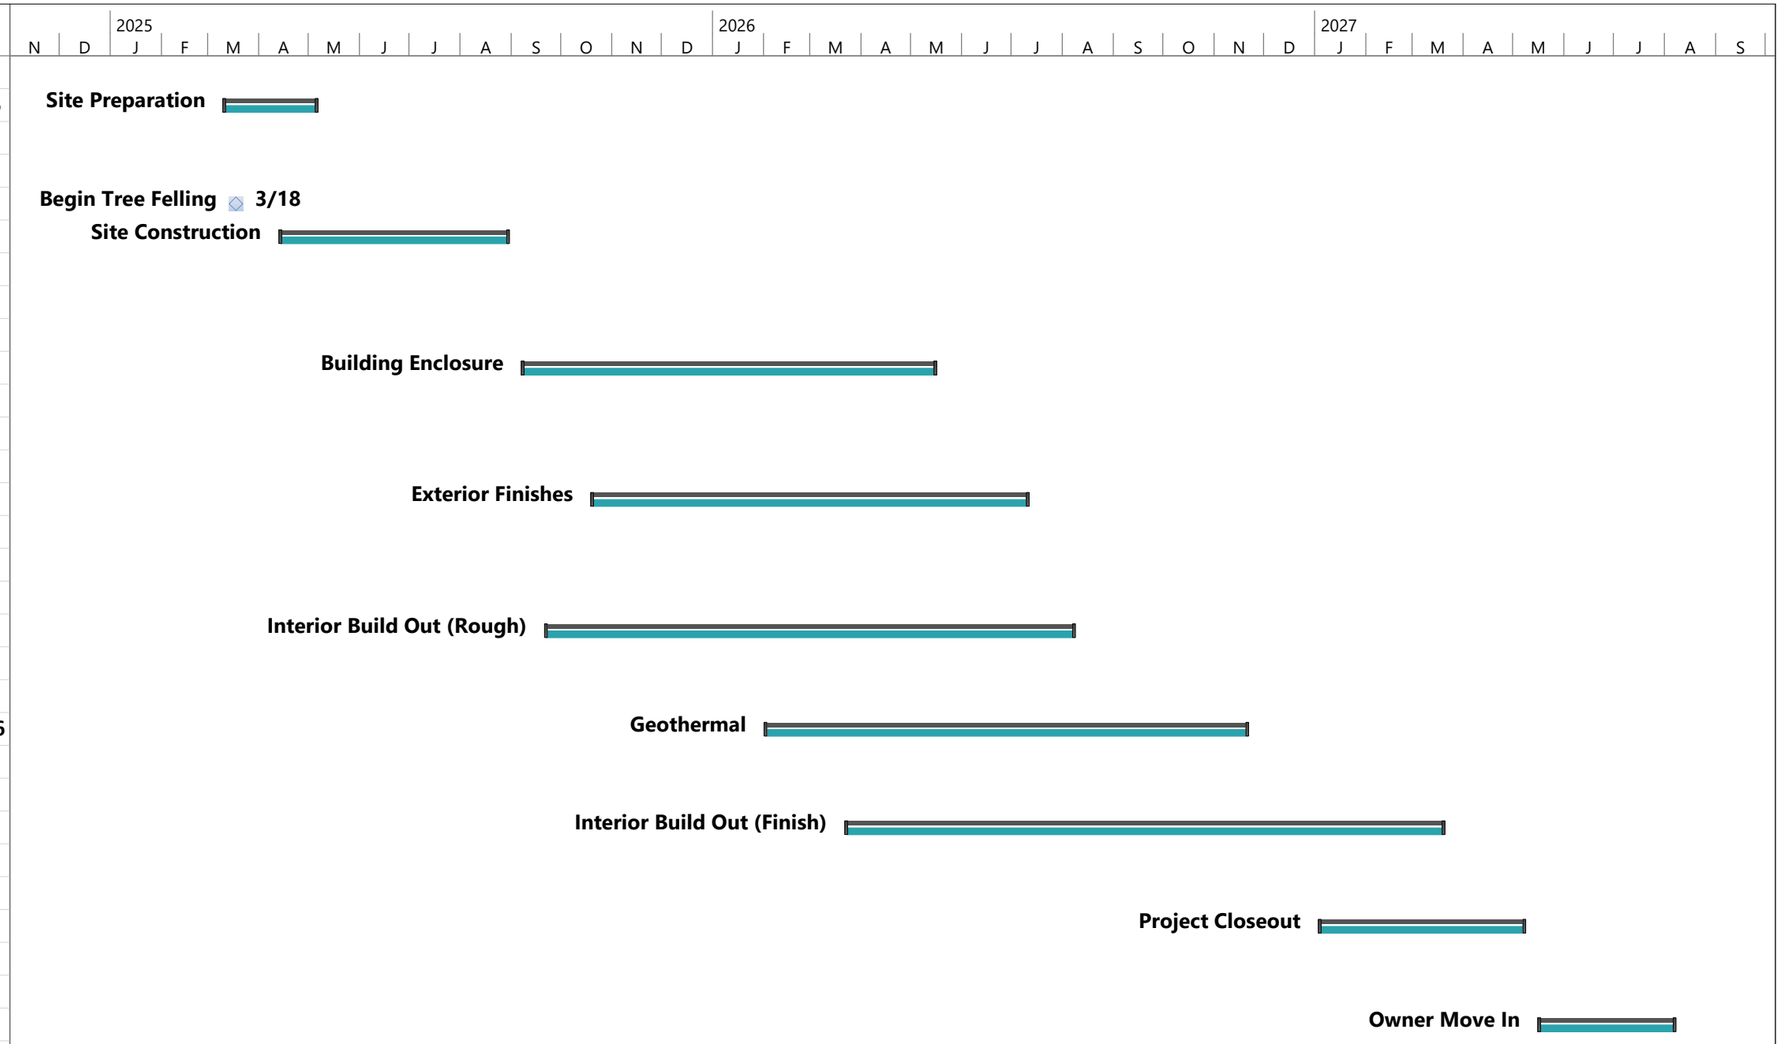
31	Furniture		



- Dates Shown are an Estimate and Subject to Change Due to Unforeseen Circumstances.

- Construction Activities will be Completed in accordance to the City of Ann Arbor's Noise Ordinance Additionally To further mitigate noise disturbances, the approach to all AAPS construction projects is to conduct the noisiest operations during the summer months, and/or when school is not in session. All AAPS projects which involve work within occupied buildings or on occupied sites include allowances to accommodate occupant's needs. Adjustments are commonly made to suit student needs, both on the construction operation and school operation sides.
