

AAPS Capital Improvements Program

Huron High School

The AAPS Capital Improvements Program continues to develop and implement projects outlined in the 2019 Bond Campaign and the BOE approved Bond Plan. These improvements are consistent with the needs outlined in the facility condition assessment report.

Project Information

Scope of Work	Location of Work
<p><u>Monorail Installation at Pool</u> Install a new 5 ton monorail hoist system for loading and unloading equipment, materials, and supplies to support the pool and filtration and future pool improvements.</p>	Huron Pool & Pool Mechanical Rooms
<p><u>Huron Pool Filtration Equipment Modernization</u> New pool pumps and tanks, new ADA lift for pool, new starter blocks, new electrical upgrade with new electrical switchgear and transformer for pool equipment, new filter pump pits and modification of existing surge pit in pool mechanical room. This work does not include any painting, pool tile or deck work, HVAC system revisions/changes, spectator area work, pool offices or locker rooms.</p>	Huron Pool & Pool Mechanical Rooms
<p><u>Food Service Equipment & Electrical Improvements</u> New food service serving equipment will be installed in the Cafeteria Serving Area. New electrical installation will be installed at the same time. The Cafeteria Serving Area and adjacent Cafeteria seating area will be closed this summer for this equipment upgrade. This work does not include any painting, flooring, ceiling, lighting, HVAC System revision/changes, or furniture improvements.</p>	Huron Cafeteria and Serving Area
<p><u>Huron Exterior Brick Wall, Roof Repair, Metal Siding Repair</u> Repair exterior brick wall on north and south elevations where brick was previously removed. Repair roofing at several locations. Repair damaged metal siding at select exterior locations. This work does not include any painting, windows, doors, or planter boxes, paving, or sidewalks.</p>	Huron Building Exterior
<p><u>Greenhouse Masonry Repair</u> Repair existing masonry at greenhouse. Clean glass and install clear coating over existing greenhouse glass dome windows. This work does not include glass replacement, tables, work benches, or planting equipment, lighting, power, plumbing, or ventilation.</p>	Huron Greenhouse Dome
