

Lawton Elementary School

The AAPS Capital Improvements Program continues to develop and implement projects outlined in the 2019 Bond Campaign and the BOE-approved Bond Plan. These improvements are consistent with the needs outlined in the facility condition assessment report.

Project Information

Scope of Work	Location of Work
<p>Lawton Elementary South Lawn drainage: Install new bio swales and raising existing catch basins. Restore disturbed landscape areas. This scope of work does not include landscaping outside of disturbed areas, parking lot, playground equipment, painting, benches, or site furnishings.</p>	Exterior building next to east property line.
