**RE: Storm Water Management System Engineering Review
New Thurston Elementary School
Ann Arbor Public Schools
City of Ann Arbor, Washtenaw County, MI**

Dear Jason:

PEA Group has completed our review of the revised engineering plans and response letter, dated February 17, 2025, for the new Thurston Elementary School as submitted by Midwestern Consulting via email on February 14, 2025, and in response to PEA Group's review letter February 4, 2025.

It appears that all requirements of section 2.5 of the district's current stormwater management plan have been met.

Please feel free to contact us with any questions or if additional information is needed.

Sincerely,

PEA Group
