

Introduction to Ann Arbor's New School Buildings: Healthy, Safe, Innovative

Ann Arbor Public Schools (AAPS) has assembled a team of architecture, design and education experts to create 21st-century schools that will integrate learning and environmental sustainability in beautiful spaces for students, staff and the AAPS community. To read more, please [follow this link](#).

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
