Updates for Existing Work, Weather Permitting:

- Temporary construction roads and construction parking are in progress.
- The site grading and excavating for foundations is underway.
- Playground relocation is underway.
- Work on the Geothermal Heating, Cooling & Ventilation system has started and is expected to take about 5-6 months.
 - Drilling crews typically operate from 7am to 7pm Monday through Saturday, within the City of Ann Arbor Noise Ordinance.

Please note:

- **For any parents/guardians providing a late drop off for their child (after 9:15am), please use the Carol Street entrance/lot.**
- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using construction parking and/or drives.
- Emails will continue to be sent, to provide updates on campus activities.

This new elementary school is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
