

## **New Thurston Elementary School Summer News**

To support construction of the new Thurston Elementary, the following activities are taking place on campus. To see all of the information related to this project in one place, please [click here to visit the New Thurston Elementary page](#) and feel free to bookmark the page to revisit, as content will continue to be posted.

### **Upcoming Activities, Weather Permitting:**

- Playground relocation is underway.
- Site grading and utility work is underway.
- Pier installation to begin.
- Construction-related trail access changes are noted below and have been posted onsite courtesy of the Thurston Nature Center.

**Please note:**

- The walkway along the North/East construction fencing is not accessible to bikes, strollers, etc. It is a walking path with inclines. Please use paved sidewalks for accessibility. The rustic path will not be cleared of snow during the winter.
- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using construction parking and/or drives.

- Emails will continue to be sent, to provide updates on campus activities.

This new elementary school is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-

quality, equitable, and environmentally sustainable schools.
