

New Dicken Elementary School News - January 2026

To support construction of the new Dicken Elementary, the following activities will take place on campus, and are referenced on the site plan below. To see all of the information related to this project in one place, please [click here to visit the New Dicken Elementary page](#) and feel free to bookmark the page to revisit, as content will continue to be posted.

Current Work, Weather Permitting:

- Foundation work is ongoing.
- Geothermal vertical drilling is complete.

Please note:

- Installation plans for the water main utility to the new Dicken Elementary will be finalized in the coming weeks. An update regarding any road or parking lot closures, or updates to walking paths, will be distributed once regulatory approvals have been received and dates have been finalized.
- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using

construction parking and/or drives.

- Emails will continue to be sent, to provide updates on campus activities.

This new elementary school is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
