## **New Logan ES @ Clague News - January 2026**

To support construction of the new Logan Elementary, the following activities will take place on the Clague Middle School campus, and are referenced on the site plan below. To see all of the information related to this project in one place, please **[click here visit to the New Logan Elementary page](#)** and feel free to bookmark the page to revisit, as content will continue to be posted.

### **Current Work, Weather Permitting:**

- Utility work continues, including water main work which is about 75% done.
- Structural steel installation will be wrapping up this month.
- Masonry is ongoing.
- Cross Laminated Timber (CLT) installation is ongoing.
- Work on the Geothermal Heating, Cooling & Ventilation system continues and is expected to take about 1-2 more months.

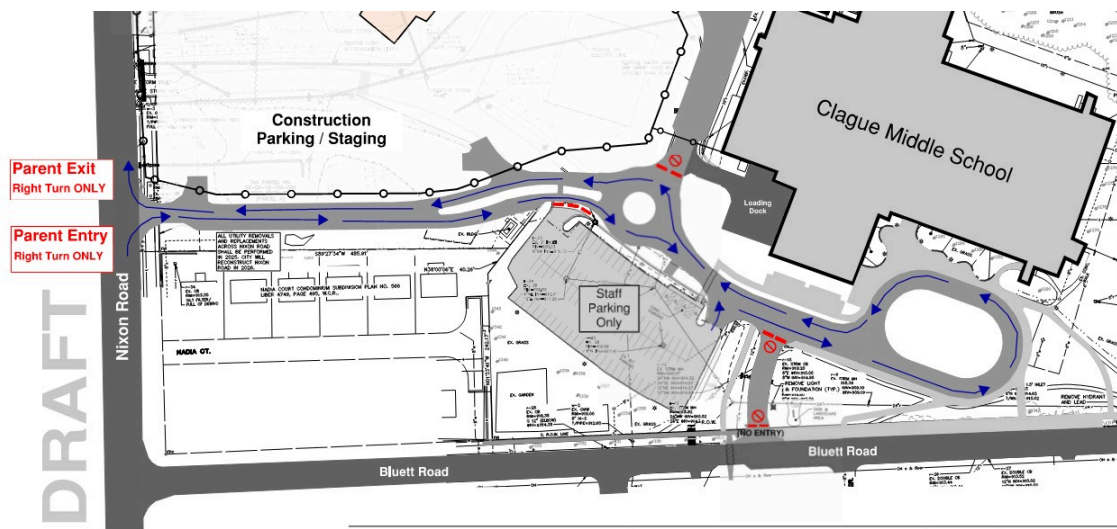

### **Coming Up:**

Students and staff at Logan will have an opportunity to sign the final beam, leading up to a "Topping Out" milestone when the final and highest beam is raised into place at the new Logan Elementary.

**Current Clague vehicle traffic patterns are identified below:**

- Two way traffic is now accessible from Nixon Road.
- Entry is no longer available from Bluett Road due to construction.
- Right turn only conditions:
  - Exiting the Clague driveway onto Nixon Road will be right turn only.
  - If travelling South on Nixon Road, there is no left turn into the Clague driveway. Instead, please continue travelling South past the school and use the first roundabout to travel back North on Nixon Road and turn right into the Clague driveway.
- These conditions are anticipated to be in effect through the Spring of 2026.

**Please note:**

- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using construction parking and/or drives.
- Emails will continue to be sent, to provide updates on campus activities.

This new elementary school is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
