New Mitchell Elementary School News - April 2026

To support construction of the new Mitchell Elementary, the following activities will take place on campus. To see all of the information related to this project in one place, please [click here to visit the New Mitchell Elementary page](#) and feel free to bookmark the page to revisit, as content will continue to be posted.

Current Work, Weather Permitting:

- Building exterior masonry will be upcoming.
- Interior build-out continues, pictured below:
 - Top left: floor slab pouring has started.
 - Top right: plumbing has started.
 - Bottom left: window framing is in progress.
 - Bottom right: gym skylight framing in progress.

Please note:

- Arrival drop off and dismissal pick up locations will remain the same. Relocated walkways will be identified with signs on site to direct foot traffic.
- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using construction parking and/or drives.
- Emails will continue to be sent, to provide updates on campus activities.

This new elementary school is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-

quality, equitable, and environmentally sustainable schools.
