**Summer Transformation**

**Construction During Break**

Summer break is not a vacation for the hard-working construction crews upgrading, renovating, and improving AAPS school buildings. As students prepare to leave their classrooms for the Summer, the Ann Arbor Public School (AAPS) hallways are anything but silent. Each year, the district's Capital Program team, including multiple construction managers, trade contractors and consultants, launches into a rapid, meticulously planned surge of construction and upgrades.

## Phase 2 Major Projects

### New Construction

**Topping Out Milestones** continue at the new elementary schools being built. As the time draws near, students and staff have an opportunity to sign the final beams at each school. Click below to watch the topping out at new Logan Elementary as the beam was raised into place.
