New Thurston Elementary School: June News

To translate into another language, please view the email using a desktop browser.

To support construction of the new Thurston Elementary, the following activities are taking place on campus. To see all of the information related to this project in one place, please **[click here to visit the New Thurston Elementary page](#)** and feel free to bookmark the page to revisit, as content will continue to be posted.

Current Work, Weather Permitting:

- Floor slab pouring is in progress, prep work pictured below left.
- Interior and exterior metal stud framing is starting, pictured below right.
- Mechanical, electrical and plumbing rough in is starting.
- Due to ongoing construction work, the entire Thurston Elementary School campus including playgrounds, will be closed starting June 15, for the duration of Summer.

Please note:

- Construction-related trail access changes are posted onsite courtesy of the Thurston Nature Center.
- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using construction parking and/or drives.
- Emails will continue to be sent, to provide updates on campus activities.

This new elementary school is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
