Slauson Middle School News - June 2026

Ann Arbor Public Schools Capital Program continues to perform work for the Slauson Middle School renovation. Please see below for previous communication as well as future activities. To see all of the information related to this project in one place, please **[click here to visit the Slauson Major Renovation page](#)** and feel free to bookmark the page to revisit, as content will continue to be posted.

Current Work, Weather Permitting:

- Demolition of specific interior ceiling, walls and floor in school.
- Interior wall framing continues in the new locker room.
- Masonry work is in progress.
- Gym roof work is in progress.
- Fire suppression installation is in progress.
- Bathroom plumbing is in progress.
- Pictured below: gym concrete pour
- Due to ongoing construction work, the Slauson Middle School building & campus will be closed, starting June 15th, for the duration of Summer and inaccessible to the public.

Please note:

- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using construction parking and/or drives.
- Emails will continue to be sent, to provide updates on campus activities.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.

This middle school renovation is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.
