To support construction of the new Thurston Elementary, the following activities are taking place on campus. To see all of the information related to this project in one place, please **[click here to visit the New Thurston Elementary page](#)** and feel free to bookmark the page to revisit, as content will continue to be posted.

Current Work, Weather Permitting:

- Mechanical, electrical and plumbing rough-in continues, pictured right.
- Exterior sheathing is in progress, pictured below.
- Site excavation for foundation construction is on-going.
- Due to ongoing construction work, the entire Thurston Elementary School campus including playgrounds, closed June 15, and will remain closed for the duration of Summer.

Election Day Information: Due to ongoing Summer construction, Thurston will NOT be hosting voting on August 4, 2026. Please visit <https://www.a2gov.org/city-clerk/elections/election-day-voting/> to find your polling location for August 4th. *This change will only be in effect for the 8/4/2026 election day.*

Please note:

- Construction-related trail access changes are posted onsite courtesy of the Thurston Nature Center.
- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using construction parking and/or drives.
- Emails will continue to be sent, to provide updates on campus activities.

This new elementary school is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
