New Dicken Elementary School News - August 2026

To support construction of the new Dicken Elementary, the following activities will take place on campus, and are referenced on the site plan below. To see all of the information related to this project in one place, please **[click here to visit the New Dicken Elementary page](#)** and feel free to bookmark the page to revisit, as content will continue to be posted.

Current Work, Weather Permitting:

- Structural steel installation is in progress.
- Concrete floor slab prep and pour is in progress, pictured below left.
- Cross Laminated Timber (CLT) installation is in progress, pictured below right.
- Utility work is in progress.
- The Dicken Elementary School campus is expected to re-open by August 28th.

Please note:

- Temporary Closure: Temporary work occurring in and around the Runnymede and Wimpole right-of-way for water main tie-ins, related to construction of new Dicken Elementary, will close the sidewalk as noted below and may intermittently close Runnymede over the next few weeks.
- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using construction parking and/or drives.
- Emails will continue to be sent, to provide updates on campus activities.

This new elementary school is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
