New Dicken Elementary School News Sidewalk Update September 2026

To support construction of the new Dicken Elementary, the following activities will take place on campus, and are referenced on the site plan below. To see all of the information related to this project in one place, please **[click here to visit the New Dicken Elementary page](#)** and feel free to bookmark the page to revisit, as content will continue to be posted.

The sidewalk to Dicken from Runnymede Blvd. will be reopened for school starting Tuesday, September 8th and remain open for the next 4-5 weeks. However, a small area surrounding the fire hydrant in that area will remain fenced off, as noted in the image below. Continuing work, related to the water main for the new Dicken Elementary, is currently scheduled to restart over AAPS Fall Break, October 9-12th.

This new elementary school is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
