Slauson Middle School News - September 2026

Ann Arbor Public Schools Capital Program continues to perform work for the Slauson Middle School renovation. Please see below for previous communication as well as future activities. To see all of the information related to this project in one place, please **[click here to visit the Slauson Major Renovation page](#)** and feel free to bookmark the page to revisit, as content will continue to be posted.

Current Work, Weather Permitting:

- Gym installations include exterior windows (below left) & backboards (below right).
- Locker room drywall installation continues.
- First floor bathroom renovation continues.
- Framing in construction zones continues.

Please note:

- Please [follow this link](#) to view a high level overview of each floor for current/active school zones and construction zones.

- Construction parking and construction access drives are for construction personnel only and to ensure safety, staff and parents should refrain from using construction parking and/or drives.
- Emails will continue to be sent, to provide updates on campus activities.

This middle school renovation is made possible by Bond and Sinking Funds. Ann Arbor Public Schools wishes to thank the Community for the continued support of the Capital Program Bond and Sinking Funds.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
