Behind the Scenes: AAPS Network Operation Center & Building Automation

When AAPS students and staff enter a school building, they encounter spaces that are consistently connected, comfortable, and safe thanks to the district's Network Operations Center. To read more, please follow this link.

AAPS Capital Program's objective is to transform the student learning experience with the goal of providing for the health, safety, and well-being of all students in high-quality, equitable, and environmentally sustainable schools.
